

Are you interested in museums, heritage and historic objects?

See what a Museum curator does behind the scenes and learn to become a collections care volunteer. This will involve heritage cleaning training, handling training and learning research skills.

Join our collections care workshops supported by the Association for Independent Museums Connected Communities Fund and in partnership with Durham Community Action, Age UK County Durham & Newcastle University.

Workshops taking place: 6, 12, 13, 20, 21, 28 June, 2, 18 & 19 July 2024.
